

MALIBU SOUNDCLASH

WHAT IS IT?

The only rules are, there are no rules, as the DJs will be mixing and scratching their way from Kelis to Kaiser Chiefs.

This event is all about you, the crowd - so if you like one DJ more, just let him know and he'll keep on playing. Remember, it's you who'll decide if the East Side or West Side is crowned king for the night!

BRING YOUR OWN SOUNDSYSTEM

You'll also get a chance to show off your own DJing skills in the Bring Your Own Soundsystem room - [click here](#) for more info.
